CHINA LAKE -- THE EXPERIMENTAL PAY PROGRAM AFTER SEVEN YEARS

Representatives from the Navy Facility at China Lake, California will hold an open forum in the Headquarters Auditorium on Tuesday, 11 August 1987 from 1300-1600 hours to talk about their experiences in implementing and using a banded pay system at China Lake. This is a good opportunity for you to address questions about such a system to people who are using one.

All employees are invited to attend on a first come, first seated basis. Tickets are not required.
